

District President's Report

April 9, 2025

Spring has sprung!!! Well according to the date it has, but judging by the snow we still have, I have my doubts.

Highlights

DISTRICT OFFICE

The office is running smoothly, we did have to replace the back door lock. Thank you to Marnie for responding to the late night call and taking the lead with replacing the lock.

AMPA

We had a full compliment travel to Toronto over the March Break to participate in the Annual Meeting of the Provincial Assembly also known as AMPA. It was an exciting event as it was an election year and there are some new faces coming to the Provincial Executive as elected officials next year. A huge congratulations to Malini Leahy who was once again elected as Vice-President for the next two years. We know she will continue to represent all members effectively and have a special fight for her District 2, Algoma home.

TBU/ESS/ECE/OTBU

Our AGM is fast approaching and it is an election year this year. Please encourage any and all members to get involved and think about running for an elected position.

For those who are running for a position in their bargaining unit and/or on district, I wish you good luck!

For those who have decided to step down from their positions, making way for new members to get involved, thank you for all that you have done over your tenure.
