

District President's Report

June 2020

I hope everyone is staying safe and healthy during this time period. I know that it is difficult and can be stressful but together we will overcome this.

Highlights

COVID-19

The District Office will be closed for the remainder of the year, following Provincial guidelines. Marnie and some Presidents have gone into the building to complete work, send files, sign vouchers and/or cheques, etc. but most are able to work from home and we have not allowed visitors on the premises. Anyone who has entered the building has wiped down everything they have touched and will continue to do so.

As soon as we get direction from Provincial Office with regards to PPE protocols for next year, we will be working to implement them.

Thank you for your cooperation with this practice.

EXCELLENCE IN EDUCATION AWARD

I am pleased to announce that Michelle Hawkins, Ryan LaRue and Ruth Koskenoja have been selected for the Excellence in Education Award for 2019/2020.

Thank you to everyone who nominated someone, there were several worthy candidates!

Congratulations and well deserved!!!

STUDENT RECOGNITION AWARD

Congratulations to Jacob Larrett for receiving the Student Recognition Award for 2019/2020.

We had quite a few candidates and they were all very worthy which made the decision difficult.

District President's Award

A huge congratulations goes out to Shelly Bernier for receiving this year's District President Award. Shelly has contributed countless hours to OSSTF and Chapleau with

her help for the Strike as a Strike Captain, and her help with passing on information to all the members of Chapleau as she advocates strongly for them. Thank you, Shelly, your commitment to OSSTF District 2, and your community is inspiring and appreciated!
